

**Thank you for your interest in our Short Term Missions Project!**

**Step 1:** You have taken the first step in the application process. The information we collect is very important so please be sure to fill out every section with neat printing. Included with this application are a Pastoral reference form and two character reference forms to give to your pastor and two non-family member friends. Please have each person fill in the information and have them mail it directly to us. Applicants must be 18 years of age or older. (Unless there is special permission.) Please sign the waiver and include a photocopy of your picture page from your passport.

**Step 2:** On a **SEPARATE** piece of paper, please share your testimony or the circumstances that led you to Christ. Once this form is completed, submit it along with your testimony, to the address on the top of this letter.

**Step 3:** When we have reviewed your information and received both reference forms, you will be contacted and will receive an acceptance package with details of upcoming trips, including cost and responsibilities.
